2006 Annual Report

TOWN OF
JAFFREY
NEW HAMPSHIRE

— *Dedication* —

**DEDICATED TO ALL MEN AND WOMEN
OF OUR ARMED SERVICES**

While you are browsing through this year's Town Report, please take a few moments to give thanks to all the men and women serving our country in our Armed Forces, especially those serving in Iraq and Afghanistan. These are the dedicated service men and women who place their lives on the line daily so that we may enjoy our many freedoms. Let us not take their commitment for granted and let us all pray for their safe return.

the new Capital Facilities Impact Fee Ordinance for New Development?

Yes-637

No-337

The meeting was called to order, and the attendants were asked to stand as the Boy Scouts from Troop 33, Talon Facticeau, Michael Sisk and Locke Trimble presented the colors and led the assembly in the Pledge of Allegiance. After which Mr. Tieger (the moderator) asked everyone to remain standing as he read the following:

“Once again we come together to help guide and decide the business of the Town for the coming year. We are citizens with different philosophies and different options and yet we are united in our common purpose – the continuing commitment to the well being of this wonderful town, which we are so fortunate to call home.

We come with heavy hearts and confused minds, as we continue to observe world events. For some of us this anxiety is intensified as our sons and daughters, husbands and wives, and those of our friends have been called to the service of their country. Please know that our thoughts and prayers are with them, and with you, in these most difficult times. We also respect and understand the rights of those with differing opinions and we sympathize with them in their anguish also. Above all we are reminded again of how fortunate we are to live in the United States of America where the rights of all are respected.

As we reflect on the losses our community has endured during the past year we re-affirm in silence our gratitude to those men and women of our community who are no longer with us. Let us honor their memories by continuing their task.

So let us listen and question, let us speak and let us debate with civility and respect, let us learn from others even as we put forth our own views, and when the meeting is over let us leave with the knowledge that the tradition of our Jaffrey Town Meeting, and our role of participation in it remains stronger than ever. Please join me in a few moments of silent meditation and reflection.”

Mr. Tieger then asked the Recreation Director and the Board of Selectmen to come forward. Mike Shea, the President of the Jaffrey-Rindge Rotary Club, was recognized to speak. Mr. Shea presented the Jaffrey Recreation Department and the Board of Selectmen with a check for \$15,000 towards the completion of the new ball fields at the proposed Community Center.

Chairman of the Board of Selectmen, Clay Hollister was then recognized. He presented the following resolutions:

“Whereas, Gerard Grenier has served the Town of Jaffrey with honor and distinction for 35 years as Memorial Day Parade Marshall;

“Whereas, Barry Miller has served the Town of Jaffrey with honor and distinction for 10 years as a member of the Economic Development Council;

Now, therefore, be it resolved and proclaimed in Town Meeting convened March 18, 2006, that the Town of Jaffrey wishes to express our thanks and sincere gratitude and that this expression of our thanks be made a part of the official record of this meeting.”

There was a round of applause. Mr. Tieger moved to accept the resolutions by acclamation. So moved and seconded.

The Chairman of the Board of Selectmen, Clay Hollister then offered the following:

A PROCLAMATION

In recognition of the Centennial of The Jaffrey Center Village Improvement Society

WHEREAS, on August 27, 1906, ten residents came together to form a village improvement society “to improve and to ornament the streets and

public grounds of Jaffrey Center;” and

WHEREAS, since then, and for one hundred years, the Town of Jaffrey and the Jaffrey Center Village Improvement Society have worked together to preserve and enhance the Jaffrey Center Village; and

WHEREAS, together and for the benefit of all, the town and the society have preserved and maintained The Meetinghouse, The Old Burying Ground, The Horsesheds, Melville Academy, and 16 acres of commons, parks, lawns and meadows in the village; and

WHEREAS, The Town of Jaffrey places great value on the importance of voluntary organizations in bettering our community;

NOW, THEREFORE, The Selectmen of the Town of Jaffrey do recognize and congratulate the Jaffrey Center Village Improvement Society on its One Hundredth Anniversary and encourage all Jaffrey residents to take note and to celebrate the accomplishments of the Jaffrey Center Village Improvement Society.”

Mr. Hollister asked the members of the VIS to stand; there was a round of applause. Mr. Tieger moved to accept the proclamation by acclamation. So moved and seconded.

Susan Leach was then recognized. She wanted to let us know that the Community Center Committee is “alive and well and exists, but to be sure we want your input because this center is for our entire community. For our youth, for our families and for our senior citizens.” Mrs. Leach went on to say that there some handouts at everyone’s seat about the committee and who they are and also a survey.

Mr. Tieger recognized that State Representatives Susan Emerson, Bonnie Mitchell and Steve Pelkey were attending the meeting and that they would be available after the meeting is adjourned for the purpose of reporting to the voters major current issues before the legislature, to solicit options and views on the same, and to respond to questions and concerns of citizens, as was per requested in a resolution at the end of Town Meeting last year. Mr. Tieger invited everyone who is interested to stay for this forum.

Mr. Tieger thanked Jeanne LaBrie for the handout that gives a history of town meeting.

Mr. Tieger thanked Michael Barlick for the free lunch that he put together for voters and workers at the Tuesday elections.

Mr. Tieger thanked TEAM Jaffrey for setting up the refreshment stand in the lobby today.

Mr. Tieger then asked all those who were on various Boards, Committees, Village Improvement Society, Commission and employees in any of the departments for the Town, to stand in order to be recognized for their service and dedication.

Mr. Tieger announced that the Volunteer of the Year was Betts Balentine.

Mr. Tieger introduced the front tables where the Selectmen, Town Manager, Assistant Moderator, Town Clerk, Budget Committee Chairman, Fire Chief, Police Chief, Head Librarian, DPW Director, and Recreation Director.

Mr. Tieger then went over the ground rules for the meeting. Mr. Tieger said that requests for secret ballot vote were asked for articles 12, 14, and 15. The mic handlers for meeting were introduced as Samantha Chamberlain, Sam Rathburn and Dylan Sistare.

Mr. Tieger asked that those newly elected officials to come to the front immediately after the meeting to be sworn in.

Mr. Tieger proposed to waive reading of the Warrant in its entirety. It was so moved and seconded.

Mr. Tieger then read the results from Tuesday's Election.

Art. 3. To see if the Town will vote to raise and appropriate the sum, not to exceed, One Million Eight Hundred Thousand Dollars (\$1,800,000) for the purpose of extending a water main to the Stone Arch Bridge Industrial Park located on Old Sharon Road, to include acquisition of land, if necessary, to construct any related improvements, and any other costs related

thereto. The said sum is to be raised through the issuance of bonds or notes in accordance with the Municipal Finance Act, RSA 33:1, et seq., as amended, and to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may become available for said project and to comply with all laws applicable to this project; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds and notes to determine the rate of interest thereon and the maturity and other terms thereof; and any other vote relative thereto. This bond is contingent upon receipt of a \$500,000 grant from the federal government, further, without impairing the status of this bond as a general obligation bond of the Town, it is the intention and expectation of the Selectmen that debt service on this bond will be paid by water user fees and Stone Arch Bridge TIFD funds. Recommended by the Selectmen and the Budget Committee. 2/3 Ballot Vote Required.

This article was passed over.

Art. 4. That all reports submitted by Town Officers be accepted as read and as printed in the Town Report.

So moved and seconded. Selectman Frank Sterling addressed the article.

Dick Olson offered the following amendment:

“THAT ALL REPORTS SUBMITTED BY TOWN OFFICERS BE ACCEPTED AS READ AND PRINTED IN THE TOWN REPORT EXCEPT FOR REPORT OF THE BOARD OF SELECTMEN, REPORT OF THE TOWN MANAGER, AND REPORT OF THE DIRECTOR OF PUBLIC WELFARE UNTIL AFOREMENTIONED BOARDS ACTIONS HAVE BEEN REVIEWED FOR CONFLICTS OF INTEREST AND ETHICS AND CONDUCT VIOLATIONS IN ACCORDANCE WITH STATE LAWS. REVIEW SHALL BE CONDUCTED BY AT LEAST THREE MEMBERS OF THE LEGAL SERVICES AND GOVERNMENT AFFAIRS DEPARTMENT OF (NHMA) NEW HAMPSHIRE MUNICIPAL ASSOCIATION. THIS BODY SHALL REVIEW PROCEDURES, POLICIES, AND PRACTICES AND SHALL PUBLISH A REPORT FOR THE BENEFIT OF THE CITIZENS OF JAFFREY. ACCEPTANCE OF REPORTS SHALL BE CONDUCTED AT THE NEXT ANNUAL MEETING.”

Art. 25. To take up any other business which may come legally before this meeting.

Owen Houghton was recognized to speak. He thanked everyone, on behalf of the Community Center Committee, for their input and reminded everyone to either drop off their surveys in the back or to mail them in.

In regards to the Community Center Committee he respectfully asks the Board of Selectmen if they would include that committee as a standing committee under reports for the town’s 2007 annual report and to have the committee added to the moderators list as a recognized committee of the town.

Mr. Houghton also wanted to refer to page 26 of the minutes of last years meeting in which we took up a resolution related to involving citizens in the Master Planning process and ask Selectmen Representative Hollister or Mike Shea (Chairman of the Planning Board) what the progress is related

to that resolution.

Mike Shea responded that there is to be a meeting at the Jaffrey Fire Station on the 29th at 7:00 for the board and any citizens interested in the Master Plan; that there would be discussion, review and formation of chapter committees. Everyone interested is invited to come.

Bob Chamberlain was then recognized to speak. He wanted to clarify what part of “Thorndike Pond Road” was scenic and he said that it was only a portion and that was the part that was once known as “Slade Road”.

Selectman Frank Sterling was then recognized to speak. He wanted to commend everyone for an expeditiously handling of this meeting and thanked everyone for coming.

Mr. Tieger then read the results for Article 24. He reminded everyone about the citizen’s forum that was to follow the meeting, as well as the swearing in of newly elected officials. He then asked if anyone they would make a motion to adjourn. So moved and seconded.

So at 1:10 the meeting was officially adjourned.

Respectfully submitted,

**STATE OF NEW HAMPSHIRE
TOWN OF JAFFREY
SPECIAL TOWN MEETING WARRANT
Saturday, September 9, 2006 (9:00a.m.)**

To: The inhabitants of the Town of Jaffrey, in the County of Cheshire, in the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Ernest J. Pratt Auditorium in said Jaffrey on September 9, 2006 at 9:00AM for the sole purpose to consider and vote upon the warrant article below.

Article 1.

“To see if the Town will vote to raise and appropriate the sum, not to exceed, SEVENTEEN MILLION, FOUR HUNDRED SIXTY THOUSAND DOLLARS (\$17,460,000) for the purpose of upgrading the wastewater treatment facility to meet all requirements of the US EPA and NH DES for treatment of the wastewater before it is discharged into the Contoocook, to construct any related treatment facilities for the upgrade, and any other costs related thereto. The said sum is to be raised through the issuance of bonds or notes in accordance with the Municipal Finance Act, RSA 33:1, et seq., and to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may become available for said project and to comply with all laws applicable to this project; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds and notes to determine the rate of interest thereon and the maturity and other terms thereof; and any other vote relative thereto. This bond is to be paid 2/3 by the sewer users and 1/3 from the general tax base. Recommended by the Selectmen and the Budget Committee. 2/3 Ballot Vote required.”

Because of the volume of people checking with the Supervisors of the Checklist the meeting was not called to order until 9:25.

Therefore, at 9:25 the Moderator, Marc Tieger, called the meeting to order. Mr. Tieger asked everyone to stand for the Pledge of Allegiance.

— *Special Town Meeting Minutes* —

Mr. Tieger then welcomed everyone to the meeting and went over some general announcements. He thanked TEAM Jaffrey for refreshments.

Mr. Tieger recognized that some of our State Representatives were in attendance.

Mr. Tieger recognized David Tower as advisor (he is the moderator in Rindge and an attorney). Phil Cournoyer was recognized as the Assistant Moderator for this meeting.

Mr. Tieger introduced the front table to his right: the Selectmen, Town Manager Pro-Tem, Budget Committee Chairman, and Town Clerk.

Mr. Tieger introduced the table to his left: the Town Engineering Consultants from Wright Pierce Engineering (Peter Atherton and Victor Krea), New Hampshire Department of Environmental Services (George Berlandi), and United States Environmental Protection Agency (Michael Fedak, Joy J. Hilton and Denny Dart). These people were also recognized by the Moderator as non-residents who could address questions that may arise.

Mr. Tieger went over the ground rules for the meeting.

Mr. Tieger read the above Article 1. So moved and seconded. Selectman Frank Sterling addressed the article.

Peter Atherton, Vice-President of Wright Pierce Engineers, was recognized to present a Power Point Presentation. This took approximately 20-30 minutes.

Mr. Tieger opened the floor to discussion. He asked that anyone that wished to question or make a comment on the article to please stand so that they could be put on a list so that everyone has a fair turn. Twenty-five people then proceeded with their opinions, questions and comments. At 11:50 the question was moved, but as customary the people on the list were allowed to continue.

At approximately 12:30 Joe Manning moved to amend the question, the

Moderator was going to allow it, but Betty Royce challenged the Moderator's decision. The moderator took a standing vote to let the assembly decide. It was 87 in favor of the moderator, 189 against the moderator; therefore the amendment was not entertained.

After two other speakers had their time to comment, the article was moved to vote.

Mr. Tieger instructed the voters to use the "A" ballot; he declared the polls open at 12:50 for one hour. The results were as follows:

Yes-192

No-162

The article failed to get the 2/3 majority vote.

The meeting adjourned at 2:10.

Respectfully submitted by,

Maria Chamberlain

Recommended by the Selectmen and the Budget Committee.

Art. 31. To see if the Town will vote to prohibit the taking of any property for private or public use by the Town of Jaffrey through the eminent domain process, except for water or sewer road frontage. Submitted by Petition.

Art. 32. To see if the Town will vote to go on record in support of effective actions by the President and the Congress to address the issue of climate change, which is increasingly harmful to the environment and economy of New Hampshire, and to the future well being of the people of Jaffrey.

These actions include:

1. Establishment of a national program requiring reductions of U.S. greenhouse gas emissions while protecting the U.S. economy.
2. Creation of a major national research initiative to foster rapid development of sustainable energy technologies thereby stimulating new jobs and investment.

In addition, the Town of Jaffrey encourages New Hampshire Citizens to work for emission reductions within their communities, and we ask our Selectmen to consider the appointment of a voluntary energy committee to recommend local steps to save energy and reduce emissions.

The record of the vote on this article shall be transmitted to the New Hampshire Congressional Delegation, to the President of the United States, and to declared candidates for those offices.
Submitted by Petition.

Art. 33. To see if the Town will vote to adopt the following:

“Vacancies on Town of Jaffrey Boards and Committees shall be advertised in the local newspapers and on the Town’s website at least four weeks prior to appointment by the Town Manager, Board of Selectmen, or Chair of said committee. The purpose for which is to solicit volunteers”. Submitted by Petition.

Art. 34. To see if the Town will vote to approve the formation of a five member Ethics Oversight Committee to be appointed by the Town Moderator and being diverse in political, gender, and vocation. Said committee shall be responsible for update of the Town’s code of ethics guidelines, education of board and committee members, and act as a resource for addressing complaints or questions. Complaints addressed to the chair of the Oversight Committee for

fact finding and reported to the Board of Selectmen. The scope of the committee shall include but not be limited to conflicts of interest, public disclosure or misuse of confidential nature, gifts, retaliatory actions, sexual or physical harassment, abuse of power, inappropriate behavior, fairness, or violations of town and state ordinances and statutes. Submitted by Petition.

Art. 35. To see if the Town will vote to separate the Town Manager's Position from the Town Counsel's Position so as to eliminate any possibility of conflicts of interest. The position of Town Counsel shall be a "non employee" of the town of Jaffrey, NH. Submitted by Petition.

Art. 36. To take up any other business, which may come legally before this meeting.

Library Trustee – one person for three-year term

Art. 2. To see if the Town will vote to adopt the following amendments to the Jaffrey Zoning Ordinances, as proposed by the Jaffrey Planning Board, to be voted on by Official Ballot: (The exact text, and related material, of each of these proposed changes is available at the Town Clerk's office and at the polling place.)

1. Are you in favor of Amendment #1 to the Jaffrey Land Use Plan as proposed by the Planning Board? This amendment rewrites the zoning description of General Business (from El-

lison Street to Cheshire Pond), Industrial District (Tack Shop) and Residence B (South).

2. Are you in favor of Amendment #2 to the Jaffrey Land Use Plan as proposed by the Planning Board? This amendment defines land which is undevelopable, such as wetlands and slopes greater than 25% and land subject to specific requirements, such as land in the Shoreland Protective Zone.

3. Are you in favor of Amendment #3 changing the Subdivision Regulations as proposed by the Planning Board? This amendment requires applicants for major subdivisions (4 or more lots) to request a meeting with the Planning Board to discuss a proposal in conceptual form and in general terms.

4. Are you in favor of Amendment #4 to the Land Use Plan which adds the following wording? The term condominium refers to a form of ownership and as such condominiums are authorized for all districts of the Town.

Art. 3. To see if the Town will vote to raise and appropriate the sum of Eighteen Million Dollars (\$18,000,000) (gross budget) for the construction of a wastewater treatment plant and sewer system including any other costs related thereto, and for related infrastructure improvements, as ordered by the U.S. Environmental Protection Agency. and to authorize the issuance of not more than Eighteen Million Dollars (\$18,000,000) of bonds and notes in accordance with the provisions of the Municipal Finance Act (RSA 33 et. seq.), as amended, and to authorize the Board of Selectmen to issue, negotiate, sell and deliver such bonds or notes, and to determine the rate of interest thereon and the maturity and other terms thereof, and to take any other action the Board deems appropriate to effectuate the sale and/or issuance of said bonds and to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may become available for said project and to comply with all laws applicable to this project; further, without impairing the status of this bond as a general obligation bond of the Town, it is the intention and expectation of the Selectmen that debt service on this bond will be paid 2/3rd by Sewer User

Fees and 1/3rd by General Tax Revenue. Recommended by the Selectmen and the Budget Committee. 2/3 Ballot Vote Required.

LAYMAN'S LANGUAGE: The Town faces a federally mandated upgrade to the Wastewater Treatment Facility. This has been a very long, on-going project that is finally coming to fruition. The Town received the first Order to upgrade the treatment process from the State of NH in 1995. Since that time, the town has expended significant dollars (\$4.9 M) to seek a more cost effective solution to this problem. The state DES and USEPA allowed the town to delay the project while seeking a more cost effective solution. We believe all options have been explored. In 2003, the USEPA took over enforcement of the project from the NHDES which is the order we must now comply. We do not relish putting forward these articles any more than you relish voting on them. However, we have no choice but to upgrade our system to meet today's wastewater treatment requirements.

Art. 4. To see if the Town will vote to raise and appropriate the sum of Five Hundred Thirty Thousand One Hundred Sixty Dollars (\$530,160) (gross budget) for the final design of the upgrade to the wastewater treatment facility, and any other costs related thereto, as ordered by the U.S. Environmental Protection Agency, and to authorize the issuance of not more than Five Hundred Thirty Thousand One Hundred Sixty Dollars (\$530,160) of bonds and notes in accordance with the provisions of the Municipal Finance Act (RSA 33 et. seq.), as amended, and to authorize the Board of Selectmen to issue, negotiate, sell and deliver such bonds or notes, and to determine the rate of interest thereon and the maturity and other terms thereof, and to take any other action the Board deems appropriate to effectuate the sale and/or issuance of said bonds, and to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may become available for said project and to comply with all laws applicable to this project; further, without impairing the status of this bond as a general obligation bond of the Town, it is the intention and expectation of the Selectmen that debt service on this bond will be paid 2/3rd by Sewer User Fees and 1/3rd by General Tax Revenue. Recommended by the Selectmen and the Budget Committee. 2/3 Ballot Vote Required.

LAYMAN'S LANGUAGE: In 2004, the Town authorized a bond article in the amount of \$892,000 for the design of the new wastewater treatment facility. Since that vote was taken, the USEPA advised that Town that treatment for phosphorus should be incorporated in the new facility. This treatment required additional design work. Additionally, the Town hired a water quality expert to assist the Town in the evaluation of the Contoocook River TMDL study completed by the NHDES. This study is necessary to determine the final effluent limits that will be incorporated in the Town's wastewater discharge permit. This consultant also assisted the designer of the facility with parameters upon which to base the design of the facility. Additional costs were incurred to complete additional value engineering of the final design to minimize both capital and operations and maintenance costs. This value engineering resulted in the redesign of the facility. This redesign is estimated to have reduced the capital costs by approximately \$1 Million. This work was necessary to keep in compliance with the EPA Administrative Order. These costs have been incurred. This article provides the necessary authorization to incur these costs and include the costs in the total project bonding.

Art. 5 .In the event that Article #4 does not pass by the 2/3 majority ballot vote, will the Town vote to raise and appropriate the sum of Five Hundred Thirty Thousand One Hundred Sixty Dollars (\$530,160) from the fund balance of the Sewer Fund for the final design of the upgrade to the wastewater treatment facility, and any other costs related thereto. Recommended by the Selectmen and the Budget Committee. Simple Majority Vote Required.

LAYMAN'S LANGUAGE: As delineated in Article 4, the Town incurred additional costs related to the design of the facility. In the event that Article 4 does not pass, funds must be appropriated from the Sewer Revenue Account, also referred to as the Sewer Surplus, to cover these costs. The current balance in the Sewer Revenue Account is \$1,265,000. These dollars have been held in reserve to buffer future sewer rate increases. If article 4 passes, then the article is passed over.

Art. 6. That all reports submitted by Town Officers be accepted as read and as printed in the Town Report.

LAYMAN'S LANGUAGE: The purpose of this article is simply to accept all reports as printed in the Town Report, and to take the opportunity to discuss them if anyone has a question.

Art. 7. To see if the Town will vote to approve the cost items included in the collective bargaining agreement reached between the Town and the Public Works union, AFSCME local 2973 that calls for the following increase in salaries and benefits, this amount is included in Article 11. Recommended by the Selectmen and the Budget Committee.

Year	Estimated Increase in Cost Items
2007	\$45,222
2008	\$33,202
2009	

LAYMAN'S LANGUAGE: When a multi-year agreement has been reached between the governing body and the representative union, the governing body has a legal responsibility to do all that it can to have the agreement ready for voter approval/disapproval. As a recent legal decision, the "Sanborn Decision", states, ratification (approval) requires full knowledge of the financial terms of the collective bargaining agreement, thus all the cost items for the entire length of the contract must be disclosed and ratified.

Art. 8. Shall the Town, if Article 7 is defeated, authorize the governing body to call one special meeting, at its option, to address Article 7 cost items only?

LAYMAN'S LANGUAGE: This article is a requirement to allow the Town to delegate the authority to the Selectmen to call one special town meeting to reconsider Article 7 should it fail. If Article 7 passes, then this article is passed over.

— 2007 Layman's Warrant —

Art. 9. To see if the Town will vote to approve the cost items included in the collective bargaining agreement reached between the Town and the Police union, AFSCME Local 3657, that calls for the following increase in salaries and benefits, this amount is included in Article 11. Recommended by the Selectmen and the Budget Committee.

Year	Estimated Increase in Cost Items
2007	\$45,393

LAYMAN'S LANGUAGE: This article allows for the continuation of the contract as agreed to by the Town and the Police Union and the payment of the cost items included therein.

Art. 10. Shall the Town, if Article 9 is defeated, authorize the governing body to call one special meeting, at its option, to address Article 9 cost items only?

LAYMAN'S LANGUAGE: This article is a requirement to allow the Town to delegate the authority to the Selectmen to call one special town meeting to reconsider Article 9 should it fail. If Article 9 passes, then this article is passed over.

Art. 11. To see if the Town will vote to raise and appropriate the sum of \$6,709,357 for general municipal operations. Recommended by the Selectmen and Budget Committee.

LAYMAN'S LANGUAGE: This is the article which provides the funds necessary to operate the Town on an annual basis. This includes all salaries, maintenance, supplies and programs which are funded and operated by the Town.

Art. 12. To see if the Town will vote to raise and appropriate the sum of \$25,000, and to deposit said sum into the capital reserve fund established in 1997 under RSA 35:1, for the purpose of purchasing new or refurbishing existing highway equipment. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: A Capital Reserve Fund is like a savings account for future expenditures. By putting a portion of the final cost aside on a regular basis you try to avoid a big jump in the tax rate, or the necessity to borrow. The current balance of this capital reserve fund as of November 30, 2006 is \$ 76,345.87.

Art. 13. To see if the Town will vote to raise and appropriate the sum of \$25,000 and to deposit said sum into the capital reserve fund established in 1996 under RSA 35:1, for the purpose of purchasing new or refurbishing existing firefighting and/or rescue equipment. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: A Capital Reserve Fund is like a savings account for future expenditures. By putting a portion of the final cost aside on a regular basis you try to avoid a big jump in the tax rate, or the necessity to borrow. The current balance of this capital reserve fund as of November 30, 2006 is \$ 11,688.58.

Art.14. To see if the Town will vote to raise and appropriate the sum of \$26,000 for the refurbishment and repair of Engine 1, a 1993 Freightliner. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: The Fire Department has identified several repairs to this equipment that are necessary to remain in service.

Art.15. To see if the Town will vote to raise and appropriate the sum of \$90,000 for the purchase of a Heavy Duty Six Wheel Dump Truck. Recommended by the Selectmen and the Budget Committee. .

LAYMAN'S LANGUAGE: This is to replace a 1993 GMC. This is a regular replacement item and is included in the Town's approved Capital Replacement schedule.

Art. 16. To see if the Town will vote to raise and appropriate the sum of \$45,000, and to deposit said sum into the capital reserve fund established in 2002 under RSA 35:1, for the purpose of conducting a Town wide property revaluation. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: A Capital Reserve Fund is like a savings account for future expenditures. By putting a portion of the final cost aside on a regular basis you try to avoid a big jump in the tax rate, or the necessity to borrow. State law requires revaluation every 5 years. The town's last revaluation was in 2005. The current balance of this capital reserve fund as of November 30, 2006 is \$ 0.00.

Art. 17. To see if the Town will vote to raise and appropriate the sum of \$18,000 to support the Jaffrey-Rindge Memorial Ambulance for the ensuing year. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: The Jaffrey-Rindge Memorial Ambulance has submitted this request to the Town, which is \$4,000 less than last year's request. The Selectmen and Budget Committee have met with the Board of Directors of the ambulance service and heartily support this petition.

Art. 18. To see if the Town will vote to raise and appropriate the sum of \$7,000 for the support of the Monadnock Community Early Learning Center, a non-profit agency, or take any other action relating thereto. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: This is an article that appears annually and provides a community benefit to the residents of Jaffrey and the Region.

Art. 19. To see if the Town will vote to raise and appropriate the sum of no more than \$200,000 from the retained earnings account of the Water Enterprise Fund for the purpose of acquiring a parcel of land (Map 242, Lot 1), consisting of approximately 16 acres, as the site for a new groundwater drinking water supply and/or the protection of the Contoocook Well Aquifer, and to authorize the Selectmen to negotiate and purchase said property for no more than \$200,000; further to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may become available for this purchase; finally, prior to the purchase the property, the Board of Selectmen shall hold at least one (1) public hearing to discuss the purchase. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: Late in 2006, the owner of the property approached the town to see if there was any interest in purchasing the property. The property was identified as having the potential for a municipal drinking water well. Preliminary evaluation of the property, including installation of a small diameter test wells and pump test have shown promise. If the site is determined viable as a well supply, it could be considered the redundant well for the Contoocook Lake Well. This property is also up gradient of the Contoocook well and could be considered as protection of the aquifer. There exist state grants to assist in the purchase of the property, the exact amount of which is unknown at this time. The current balance of the Water Enterprise fund is \$910,946.

Art. 20. To see if the Town will vote to grant a permanent conservation easement to the Monadnock Conservancy on a parcel of Town owned land of land (Map 239, Lot 159), of approximately thirty-five acres, known as "Children's Woods", for the purpose of satisfying the State of New Hampshire's Department of Environmental Services wetland mitigation requirement related to the Union Street Ball Field Project.

LAYMAN'S LANGUAGE: When wetlands are disturbed during construction, in this case a town owned ball field, the disturbed or destroyed wetlands must be recreated elsewhere nearby, or additional land of a greater amount must be set aside forever, never to be developed, to take the place of the former wetlands.

Art. 21. To see if the Town will vote to accept the revised Stone Arch Bridge Tax Increment Finance District Financing Plan.

LAYMAN'S LANGUAGE: In an effort to keep the Town apprised of the activities of the two TIFDs, we are placing the financing plans on the warrant every year. The Stone Arch Bridge TIFD, located mostly along Route 202 from DD Beans and along Old Sharon Road, currently funds the new bridge which was built in 2002.

Art. 22. To see if the Town will vote to accept the revised Downtown Tax Increment Finance District Financing Plan.

LAYMAN'S LANGUAGE: The Downtown TIFD covers all of the downtown area. It funds a contribution to TEAM Jaffrey to help support their efforts, and it also funds the bond payment on the purchase of the property in 2005 for a new community center. In 2006, we also plan to provide funds for a continuation of the Rails to Trails behind the Monadnock Shopping Plaza, Community Center planning, a match for a federal grant for pedestrian improvements in the downtown area, and a downtown Master Plan.

Art. 23. To see if the Town will vote to ratify the Conservation Commission's decision to purchase, in the name of the Town, certain real property referred to as "60 Acres North of Cheshire Pond" being shown on Tax Map 245, Lots 42 & 43, and Map 246, Lot 54, as authorized under RSA 36-A:4.

LAYMAN'S LANGUAGE: This is an advisory vote. The Conservation Commission has the legal authority to purchase land for conservation purposes without approval from the Town Meeting. They are, first, required to hold a public hearing and receive permission from the Board of Selectmen. The funds for the purchase will come from land use change penalty fund and have no tax rate impact.

Art. 24. To see if the Town will vote to create an expendable trust fund under the provisions of RSA 31:19-a, to be known as the Cemetery Trees Fund, for the purpose of the care, maintenance, and removal of trees within and around the Town's cemeteries, and to raise and appropriate the sum of \$5,000.00 and to further authorize the acceptance of privately donated gifts, legacies, and devises to be utilized for the same purposes, with the Board of Selectmen and the Town Manager named as agents to expend.

LAYMAN'S LANGUAGE: A town may at any annual or special meeting grant and vote such sums of money as it deems necessary to create trust funds for the maintenance and operation of the town and any other public purpose that is not foreign to the town's institution or incompatible with the objects of its organization. The town may

appoint agents to expend any funds in the trust for the purposes of the trust. An annual accounting and report of the activities of the trust shall be presented to the selectmen and published in the annual report.

The Cemetery Committee has identified several large diameter trees at each of the cemeteries which should they fall would damage irreplaceable headstones. The cost for the removal of these trees will prove to be very expensive. This fund is proposed to be established to plan for these expenditures.

Art. 25. To see if the Town will vote to accept as a town roadway the construction and completion of approximately 2,200 feet of Fitch Road. Approved by the Jaffrey Planning Board in June 2005 and as built to Town specifications at no cost to the Town of Jaffrey. Submitted by Petition.

LAYMAN'S LANGUAGE: One of the ways for a new road to become a public road is that the Town Meeting must decide to "accept" the road after it has been "dedicated" to the Town. It must meet all Town road construction specifications as determined by the Planning Board.

Art. 26. To see if the Town will vote to accept as a town roadway the construction and completion of approximately 1750 feet of Lord View Drive. Approved by the Jaffrey Planning Board September 10, 2002, as built to Town specifications at no cost to the Town of Jaffrey. Submitted by Petition.

LAYMAN'S LANGUAGE: One of the ways for a new road to become a public road is that the Town Meeting must decide to "accept" the road after it has been "dedicated" to the Town. It must meet all Town road construction specifications as determined by the Planning Board.

Art. 27. To see if the Town will vote to raise and appropriate the sum of \$6,966.25 for Monadnock Family Services, or take any other action relating thereto. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: This is a petition article which we receive annually and which provides a community benefit to the residents of Jaffrey and the Region.

Art. 28. To see if the Town will vote to raise and appropriate the sum of \$17,000 to support HCS – Home Healthcare, Hospice and Community Services to support the continuance of visiting nursing services being provided to the residents of Jaffrey. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: This is a petition article which we receive annually and which provides a community benefit to the residents of Jaffrey and the Region.

Art. 29. To see if the Town will vote to raise and appropriate the sum of \$5,000 to help support the work of The Community Kitchen, Inc. in Keene, NH. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: This is a petition article which we receive annually and which provides a community benefit to the residents of Jaffrey and the Region.

Art. 30. To see if the Town will vote to raise and appropriate the sum of \$3,800 (three thousand eight hundred dollars) to Southwestern Community Services, Inc., a private non-profit, multi-service, anti-poverty agency. This amount represents 1 per cent of the value of services rendered to Jaffrey residents from July 1, 2005 through June 30, 2006. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: This is a petition article which we receive annually and which provides a community benefit to the residents of Jaffrey and the Region.

Art. 31. To see if the Town will vote to prohibit the taking of any property for private or public use by the Town of Jaffrey through the eminent domain process, except for water or sewer road frontage. Submitted by Petition.

LAYMAN'S LANGUAGE: The Board of Selectmen have been advised by local legal counsel, that this article, if approved, would be legally unenforceable due to conflicts with existing State laws.

Art. 32. To see if the Town will vote to go on record in support of effective actions by the President and the Congress to address the issue of climate change, which is increasingly harmful to the environment and economy of New Hampshire, and to the future well being of the people of Jaffrey.

These actions include:

1. Establishment of a national program requiring reductions of U.S. greenhouse gas emissions while protecting the U.S. economy.
2. Creation of a major national research initiative to foster rapid development of sustainable energy technologies thereby stimulating new jobs and investment.

In addition, the Town of Jaffrey encourages New Hampshire Citizens to work for emission reductions within their communities, and we ask our Selectmen to consider the appointment of a voluntary energy committee to recommend local steps to save energy and reduce emissions.

The record of the vote on this article shall be transmitted to the New Hampshire Congressional Delegation, to the President of the United States, and to declared candidates for those offices.

Submitted by Petition.

LAYMAN'S LANGUAGE: This is an advisory article and holds no force under the law.

Art. 33. To see if the Town will vote to adopt the following:

“Vacancies on Town of Jaffrey Boards and Committees shall be advertised in the local newspapers and on the Town's website at least four weeks prior to appointment by the Town Manager, Board of Selectmen, or Chair of said committee. The purpose for which is to solicit volunteers”.
Submitted by Petition.

LAYMAN'S LANGUAGE: The Board of Selectmen have been advised by the legal department of the Local Government Center, that this article, if approved, would be legally unenforceable due to conflicts with existing State laws.

Art. 34. To see if the Town will vote to approve the formation of a five member Ethics Oversight Committee to be appointed by the Town Moderator and being diverse in political, gender, and vocation. Said committee shall be responsible for update of the Town's code of ethics guidelines, education of board and committee members, and act as a resource for addressing complaints or questions. Complaints addressed to the chair of the Oversight Committee for fact finding and reported to the Board of Selectmen. The scope of the committee shall include but not be limited to conflicts of interest, public disclosure or misuse of confidential nature, gifts, retaliatory actions, sexual or physical harassment, abuse of power, inappropriate behavior, fairness, or violations of town and state ordinances and statutes. Submitted by petition.

LAYMAN'S LANGUAGE: The Board of Selectmen has been advised by the legal department of the Local Government Center conflicts with existing State statutes. The committee could be established as an advisory group to the Board of Selectmen although any advice provided would be non-binding. The Committee is created would not under statute have the authority to be an investigative entity. There are several existing Statutes that address the issues raised in the article, as well as the Town's Personnel Policy handbook.

Art. 35. To see if the Town will vote to separate the Town Manager's Position from the Town Counsel's Position so as to eliminate any possibility of conflicts of interest. The position of Town Counsel shall be a "non employee" of the town of Jaffrey, NH. Submitted by Petition.

LAYMAN'S LANGUAGE: The Board of Selectmen have been advised by the legal department of the Local Government Center, that this article, if approved, would be legally unenforceable due to conflicts with existing State laws.

Art. 36. To take up any other business, which may come legally before this meeting.

INDEFINITE DELEGATION OF AUTHORITY

THE LIFE OF JOHN RUSKIN

INDEFINITE DELEGATION OF AUTHORITY BY THE TOWNTON TO THE BOARD OF SELECTMEN AND THE LIBRARY TRUSTEES

Prior to 1999, a number of articles appeared on the Town Warrant each year delegating specific powers to the Board of Selectmen and the Library Trustees. These articles are usually referred to as “boilerplate articles.” During the 1999 annual meeting, Jaffrey’s citizens voted (Articles 32-38) to “authorize indefinitely, until specific rescission of such authority” the Selectmen and the Library Trustees to undertake various actions and, therefore, to no longer include these articles on future Town Meeting Warrants. The Town of Jaffrey now has seven such warrant articles, which are listed below for your reference:

1) ACCEPTANCE OF GRANTS

Shall the Town accept the provisions of New Hampshire *Revised Statutes Annotated (RSA) 31:95-b*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to apply for, accept, and expend without further action by the Town Meeting, unanticipated money from federal, state, or other governmental agencies or a private source that becomes available during the year?

2) ACCEPTANCE OF GRANTS BY LIBRARIES

Shall the Town accept the provisions of NH *RSA 202-A:4-c*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Library Trustees to apply for, accept, and expend without further action by the Town Meeting, unanticipated money from a federal, state, or other governmental unit or a private source that becomes available during the year?

3) TAX ANTICIPATION NOTES

Shall the Town accept the provisions of NH *RSA 33:7*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to issue tax anticipation notes?

4) ACCEPTANCE OF GIFTS, LEGACIES, AND DEVISES

Shall the Town accept the provisions of NH *RSA 31:19*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to accept on behalf of the Town gifts, legacies, and devises made to the Town in trust for any public purpose, as permitted by this statute?

— Indefinite Delegation of Authority —

5) ACCEPTANCE OF GIFTS OF PERSONAL PROPERTY

Shall the Town adopt the provisions of NH *RSA 31:95-e*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to accept gifts of personal property that may be offered to the Town for any public purpose? The Selectmen must hold a public hearing before accepting such a gift, and the acceptance shall not bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of such equipment.

6) ACCEPTANCE OF GIFTS OF PERSONAL PROPERTY BY LIBRARIES

Shall the Town adopt the provisions of NH *RSA 202-A:4-d*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Library Trustees to accept gifts of personal property that may be offered to the Library for any purpose; provided, however, that no acceptance of personal property by the Library Trustees shall be deemed to bind the Town or the Library Trustees to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of such personal property?

7) TRANSFER OF TAX LIENS AND SALE OF TAX DEED PROPERTY

Shall the Town adopt the provisions of NH *RSA 80:80*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to dispose of property acquired by Tax Deed by either conveying said property back to its original owner(s) for consideration equal to all associated unpaid property taxes, interest, and expenses, or to sell said property at public auction, or to otherwise dispose of property as justice may require?

INDEPENDENT AUDITOR'S REPORT

To the Board of Selectmen
Town of Jaffrey, New Hampshire

We have audited the accompanying financial statements of the governmental activities, business-type activities, each major fund, and the aggregate remaining fund information of the Town of Jaffrey, New Hampshire as of and for the year ended December 31, 2005, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, business-type activities, each major fund, and the aggregate remaining fund information of the Town of Jaffrey, New Hampshire, as of December 31, 2005, and the respective changes in financial position and cash flows, where applicable, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated March 3, 2006, on our consideration of the Town of Jaffrey, New Hampshire's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in conjunction with this report in considering the results of our audit.

The management's discussion and analysis and budgetary comparison information on pages i-v and 28-30, respectively, are not a required part of the basic financial statements but are supplementary information required by accounting principles generally accepted in the United States of America. We

— *Audit Report* —

have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Jaffrey, New Hampshire's basic financial statements. The combining nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. The combining nonmajor fund financial statements have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

ALICE POOLE FUND - 2006

As usual we made contributions to the annual Santa's House, Jaffrey Women's Club Dental Program and the Jaffrey Food Pantry.

We sponsored nineteen young children at AIM summer camp offered by the Jaffrey Recreation Department, and renewed a student loan and filled two new requests for students going off to College.

We continue to purchase magazine subscriptions for the Good Shepherd Health Care Center and provide small gifts to local residents living there. Many of the elderly Jaffrey residents were remembered with small gifts, usually in the form of gas cards and small checks.

Gift certificates for food orders were purchased from Market Basket and certificates for clothing were purchased from Wal-Mart. The certificates were distributed during the Holiday Season and at other times during the year.

As usual, The Alice Poole Fund Committee continues to spend all of the interest received from the Alice Poole Fund Trustees in accordance with the will of Alice Poole.

REPORTS
BOARDS, COMMISSIONS,
AND COMMITTEES

— *Board of Selectmen* —

We had a very busy year in 2006 with many activities and events. Of course, we had our annual Town Meeting in March at which we dispatched the essential elements of running our Town. The budgets for the Town, Water and Sewer departments were accepted, warrant articles were discussed and voted and resolutions of remembrance and thanks were passed.

Shortly after Town Meeting was adjourned, we were informed that Town Manager Jon Sistare had been recalled to active and that he would be deployed to Iraq for a yearlong assignment. Faced with what we are sure will only be a short-term vacancy we looked within our own ranks to find an individual to become the acting Town Manager. Randall Heglin, our Department of Public Works Director, was afforded the opportunity to step forward and he accepted. He has done a stellar job in Jon's absence and the Town owes him a large debt of gratitude. While Randy was performing the duties of the Town Manager Doug Starr, the Town's engineer, has taken over the direction of the Department of Public Works and he has acquitted himself admirably.

In September, a special Town Meeting was held to discuss and vote on a bond to fund the construction of an advanced wastewater treatment plant. This project has been pushed forward by an Administrative Order from the Environmental Protection Agency and the State of New Hampshire's Department of Environmental Services. The Town has been under Administrative Orders for the past 10 years. During these years, the Town and its engineers have investigated and pilot tested a number of solutions to comply with the requirements of the USEPA and NHDES discharge permit effluent limitations. The plan submitted, we believed, was the best resolution of our dilemma. The discussion and the debate revealed the finest qualities of the Town. Thoughtful and intelligent questions were raised and debated, consequences were weighed and analyzed. When the votes were tallied the measure failed to receive the required 2/3 majority. From the discussion and subsequent conversations with thoughtful citizens, we investigated alternative methods of meeting the EPA's goals. At this point in time because of the timeline established in the Administrative Order, we will be presenting a slightly modified plan from what was discussed at the September meeting.

— *Board of Selectmen* —

Other activities this year include the beginning of the construction of the new ball field at the Community Center site on Union Street. Area business and individuals generously donated their time and equipment to get the site leveled and the grass planted. The Water Department was busy working on the construction of the redundant well at the Turnpike location. That project is nearing completion and should be tested and available this year. The water works received another upgrade in the form of the River Street water main replacement. All went according to plan and the project was successfully completed on time and on budget. Team Jaffrey continues to enhance the downtown area business and foster a strong sense of community with its successful programs such as the Scare Crows on the Common and the summer long outdoor band concerts. And what would summer in Jaffrey be without the Chamber's Festival of Fireworks! The energy and good work of our citizens is what makes the Town of Jaffrey such a wonderful place to work, live and raise a family. We, as your Selectman, are proud to represent such a marvelous community.

REPORT OF THE MODERATOR

I am pleased to continue the practice, begun in 2005 of reporting to you, the voters of the Town of Jaffrey.

The duties of the moderator are to “preside at town meetings; regulate the business thereof, decide questions of order and make a public declaration of every vote cast” (RSA 40:4). The moderator also oversees the elections and, in Jaffrey, makes appointments to the Historic District Commission and to the Budget Committee. The term of the moderator is two years.

Jaffrey has had the services of 36 moderators since Jonathan Stanley was first elected in 1773. The longest serving moderator was Charles L. Rich who served from 1886 through 1921. Many of you reading this will remember George H. Duncan, William Webster and Judge Jason Sawyer. Judge Sawyer served from 1941 through 1969.

Since my election in 1990 I have tried to foster an environment that is educational and comfortable for our voters, one in which they are encouraged to participate in this quintessential grass roots process. I have been fortunate in having two excellent mentors: Superior Court Judge and long time Jaffrey moderator Bernard J. Hampsey, Jr. and Rindge moderator, David M. Tower who, I believe, is the longest serving moderator in the state. I would be remiss if I didn't mention the endless assistance and support I receive from both my assistant moderator Phillip J. Cournoyer and our Town Clerk, Maria Chamberlain. I would also like to thank Rob Stephenson for his ongoing efforts in helping to raise the awareness of the importance of governance to our voters and our citizens.

I encourage voters to speak with me throughout the year with questions, comments, and suggestions. Serving the town as moderator is, indeed, a privilege.

Respectfully submitted,

Marc P. Tieger, Moderator
Town of Jaffrey

REPORT OF THE CEMETERY COMMITTEE

THE CEMETERY COMMITTEE was established in 1991 to advise the Town on the operation, maintenance and preservation of Jaffrey's public cemeteries: Conant, The Old Burying Ground, Cutter, Cutter Extension and Phillips-Heil (also the inactive cemeteries, Village and Smallpox). It is composed of representatives of the American Legion and Veterans

of Foreign Wars, the Historical Society, Cournoyer Funeral Home, the Board of Selectmen and three appointed Members at Large. Town employees Doug Starr, Rick Forcier and Peachie Chalke assist the Committee in its work.

During 2006 the Committee met seven times with Town staff to discuss operation, budget and maintenance issues. It also inspected all of Jaffrey's cemeteries. Each cemetery is overseen by a member of the Committee. This oversight involves inspecting the cemetery from time to time and reporting on conditions and problems at Committee meetings.

— Cemetery Committee —

The Committee and the Department of Public Works were pleased to issue in 2006 A Guide to the Public Cemeteries of Jaffrey, a brochure that summarizes the Town's cemetery rules and regulations and answers some of the questions that are most often asked by residents. Free copies are available at the Town Office.

In the Fall, resetting and straightening of head- and footstones and lot curbing and some stone repair in the Old Burying Ground, Cutter, Conant and Phillips was undertaken by the Kaufhold Family Memorials & Stone Works of Peterborough. Stone straightening was also done by volunteers in the Old Burying Ground.

Another volunteer effort by members of the Committee and Town staff was the summer start on the restoration of the iron fencing surrounding John Conant's grave at the cemetery named for him. Two sections were scraped and painted.

The first section of Cutter Cemetery Extension has been delineated and a portion of the roadway has been constructed. Once further survey bounds have been placed this spring, lot sales can commence. Those interested should contact the Department of Public Works for details.

A new wood entrance gate for the Old Burying Ground was constructed and installed by Andy Webber who kindly donated his labor and the materials.

On November 2nd the Committee and Public Works staff visited all cemeteries and removed all unauthorized materials from gravesites. This was preceded by newspaper advertisements and signs posted at each cemetery. This is now done annually after October 31st.

The Committee looks forward in 2007 to 1) improving cemetery record keeping including computerization; 2) continuing the restoration of the iron fencing around John Conant's grave; and 3) finding ways and means to remove several aged trees posing a hazard in the Old Burying Ground and to maintain and replace trees in the Town's other cemeteries.

REPORT OF THE CONSERVATION COMMISSION

The Conservation Commission was established in accordance with Revised Statutes Annotated (RSA) 36-A for the proper use and protection of Jaffrey's natural resources and watershed resources. The Commission provides a focal point within the town and Town government for environmental concerns. The Commission may advise the Planning Board and other local bodies on conservation matters. The Commission may act more directly to protect natural resources, by acquiring land, either outright or through easements, with the approval of the Selectmen. The Commission may then manage these conservation areas. The Commission also manages designated Town forests.

The Commissioners were very busy in 2006 with educational outreach, trainings, legislative efforts, and advisory to the Town boards and residents of Jaffrey. In addition to our 12 regular monthly meetings and peripheral agenda items, our activities this year included:

- For the fourth year in a row, three members attended the annual "Saving Special Places" conference in April where they learned about additional tools to help conserve and manage natural resources to benefit the community, including water resources (drinking water/lakes/ponds/wetlands), open space/vistas, and implications to tax base and quality of life.
- Rolled out the recently (Nov 2005) completed Cost of Community Services through introduction to the community at the library and placing the study on the Town web-site.
- Continued efforts to complete a Natural Resource Inventory (NRI) of town to aide in efforts to identify critical areas in need of protection using evolving land use criteria. As part of the effort, the Commission received a "Mooseplate Grant" (State Conservation Grant program) to hire a professional ecological consulting firm to compile and update the maps to be included in the Natural Resource Inventory.
- The Commission prepared a letter that was approved by the Selectmen in support of efforts by the Town of Tamworth to prevent state legislation that would take away town review rights and allow a racetrack to be built there without town approvals.
- Presented "An Evening On Agriculture" (Oct 3, 2006) hosted at the

Silver Ranch and featuring guest speaker Steve Taylor, Commissioner of the State of NH Dept. of Agriculture. The successful event drew 40 attendees and was co-sponsored by the Monadnock Conservancy and the Cheshire County Conservation District.

- Met with interested residents and explored possibility of purchasing and conserving 60 acre piece of land north of Cheshire Pond that was identified as having very good potential for town recreational land and possibilities for timber value and drinking water value. This project was presented to the Selectmen in September and supported by them as a commission acquisition (to be ratified at town meeting in March 2007).
- Participated in the 2006 Riverfest in June, including members manning an informational booth, raffling off a kayak and several other outdoors- and nature-related items, and leading a Riverwalk nature tour.
- Participated on the Rail Trail committee and provided support and design assistance to the Economic Director on the Town's Rail Trail.
- Provided technical assistance to the Economic Director on overcoming a DES Wetlands Permit issue by proposing a conservation easement and identifying and approaching a suitable land trust (Monadnock Conservancy) to hold the easement on Children's Woods.
- One member continues to be active on the Contoocook River Advisory Committee and one member is active as the Town representative to the regional Monadnock Conservancy.
- One member served on the Citizens Committee advising the Planning Board on the Master Plan.
- One member is participating on an ad hoc committee to explore alternatives to the proposed new wastewater treatment facility.
- Three members have attended meetings in support of a citizen's committee to consider options for conserving rural character. This idea was presented to the Selectmen in January 2007 and received their support. The idea will be presented to the Planning Board (and potentially result in an Open Space Committee).
- Members attended various other events and workshops, including a Rotary breakfast (program on water resources in Iraq), the Southwest Regional winter meeting (Jan 2006), and a Biodiversity meeting held by the Rindge Conservation Commission (and featuring Bluepoint Ecological).
- One member (with two DPW staff and one town water expert) at-

— *Conservation Committee* —

tended a program held by DES in Concord, NH, focused on a how to protect drinking water (May 2006).

- In October, one member attended the annual Land Trust Alliance rally held this year in Nashville (at personal expense) to learn about grant opportunities, land use models, and tools to aid in towns' growth without compromising natural resource protection.
- One member attended a program in Concord, MA, at the Lincoln Land Institute that focused on various tools for land conservation and preserving rural character.
- Interacted with Monadnock Conservancy on a variety of ventures, including: participation in a study conducted by them on regional town assistance needs in providing adequate services to town (e.g., mapping, outreach, permit application review, statutory interpretation, land acquisition, etc.); meeting with them on corridor planning; and working with them on the DES wetlands mitigation conservation easement to allow the baseball field to be built.
- Donations by the Commission included a donation to the annual Envirothon, a donation towards the water quality testing equipment for the Contoocook River Advisory Committee, and co-sponsoring a student to attend Wildwood Camp (Rindge).
- Reviewed two timber harvest permits for conformance to local and state laws.
- Reviewed and provided feedback/approval to applicants/NHDES on at least 6 wetlands applications, including the Monadnock Bible Conference (culvert replacements), improvements to the Conant High School (new track facilities), Ray-tek (Rte 124 "Clover Farm" subdivision), Town of Troy (water tank), Mr. George (single family home access), and the Jaffrey DPW (road improvements).
- Provided assistance and input to the Planning Board and ZBA on several applications and attended associated site walks (e.g., addition to residence on Webster St., request for fill on Highland Avenue, new shed on Thorndike Pond, proposed subdivision in Mountain Zone on Rte 124).
- Provided assistance to the Town Building Inspector on several potential wetlands setback violations (e.g., large fence on Gilson Pond, terrace on Gilson Pond, new shed on Rte. 137, fill on 137).
- Responded to 6 inquiries to protect private land as open space (Gilson Pond, Sanders Road, Dublin Road, Lehtinen Road, Squantum Road,

— *Conservation Committee* —

Cheshire Pond).

- Responded to several resident inquiries and requests for assistance regarding wetlands, shoreline issues, and forest assessment (e.g., Ingalls Road wetland, beaver dam off Sanders Road, slide on Cheshire Pond, dam on Frost Pond, timber on private land on Fitzwilliam Rd., and wetlands on Evergreen Ln.).

The members of the Conservation Commission look forward to another productive year in serving the Town in 2007. We invite citizens to attend our meetings and welcome feedback on our efforts. Thank you for your continued interest and support.

REPORT OF CONTOOCCOOK AND NORTH BRANCH RIVERS LOCAL ADVISORY COMMITTEE (CNBRLAC)

Here is a brief summary of our 2006 activities to protect the River as it flows north through 14 New Hampshire border towns joining the Merrimack in Concord.

RIVER QUALITY MONITORING: We continued chemical testing at specific sites during the summer months using our new computerized electronic monitoring apparatus. In Jaffrey these sites are located at the R137 bridge and at Red Dam near R202. As in 2005, DES will analyze the data, add it to the growing computer data base and issue its report to the border towns. Our committee thanks the towns for their donations enabling purchase of the new state-of-the-art water testing equipment.

DISPLAY AND POWERPOINT PROGRAM: We now have an educational power-point program about the River which is available for use by town groups, civic clubs, libraries, schools or other interested groups. To see the program, contact our website at www.cnbrlac.org

Also available, a DVD of the River in four seasons set to the music of Vivaldi's Four Seasons. Contact Byron Carr of Hopkinton to obtain a copy. Both of these plus our 3-D model of the River watershed were displayed at our booth at Jaffrey Riverfest.

BUS TOUR: We offered an educational bus tour along the entire River. This was well-received and we plan to repeat this in the summer or during the fall foliage season.

MONTHLY MEETING ACTIVITY: The majority of our meeting time involved helping towns consider the effects of increased building of private residences and commercial development along the River and its tributaries. Monitoring of dredge and fill applications often required our input. We continue in the process of revising the 10-year update of the River

— *Contoocook and North Branch Rivers Local Advisory Committee* —

management plan with the assistance of DES Rivers Coordinator, Steve Couture.

SPECIAL NOTE: I would welcome inviting another interested Jaffrey citizen to join our group as a volunteer Committee member. Many of the towns have 2 reps. Contact Ron Rogstad (532-6332) for information.

Ron Rogstad, Jaffrey Representative

REPORT OF THE ECONOMIC DEVELOPMENT COUNCIL

A major economic boost for our downtown in 2007 will be the redevelopment of the Jaffrey Mill. The Mill building is the centerpiece of our downtown, and for many years has been vastly underutilized. Work is scheduled to be completed this year on the creation of 30 apartment units in the West side of the building, while options for the redevelopment of the East side of the building are actively being considered. The EDC has strongly supported developing the Mill to its full potential over the years, in an effort to support the goal of a vibrant downtown area that will benefit the Town as a whole.

Alongside the Mill building, a critical issue for our downtown area is developing a long-term traffic solution. The EDC took an active role this year in encouraging the implementation of a bypass plan for downtown that would include the construction of a second bridge crossing the Contoocook River, South of Main Street. Our downtown is only going to be pedestrian friendly when we achieve traffic calming through proper road design and increased traffic diversion flow from the downtown area. The EDC will continue to work with several organizations in Town that are committed to finding a solution to this important economic and quality of life issue.

Only about 50% of TIF District revenues were spent on specific District projects in 2006. The remaining 50% of revenues were returned to the General Fund. Stone Arch Bridge TIF District did not fund any additional projects in 2006, though Town water is still desperately needed in this area. The EDC is hopeful that Stone Arch Bridge TIF District will be able to start funding this work beginning in 2008. The Downtown TIF District helped fund TEAM Jaffrey in 2006, as well as paying for engineering services for the pedestrian enhancement project scheduled for construction this year. The Downtown TIF District continues to pay off the Community Center land bond, and will fund a comprehensive Downtown Master Plan in 2007.

The Economic Development Council (EDC) is made up of business people, community leaders, and local residents with an interest in promoting

the economic vitality and growth of Jaffrey.

We look forward to the coming year and the opportunities it will present as we proceed with ongoing projects and begin new initiatives to help sustain Jaffrey's economic vitality.

REPORT OF THE HISTORIC DISTRICT COMMISSION

The Jaffrey Historic District Commission was established by the citizens in 1969 to safeguard the heritage of Jaffrey Center by a) preserving a district that reflects elements of its cultural, social, economic, political and architectural history, b) conserving property values in the district, c) fostering civic beauty, and d) promoting the use of an historic district for the education, pleasure and welfare of the citizens.

In the year 2006, your Historic District Commission met 8 times to discuss business relating to the Commission's ordinance to "regulate the construction, alteration, painting, moving, demolition, or use of the structures and places" within the district. During the year there was one formal application filed by the Jaffrey Center Village Improvement Society:

Application No. 88 - Centennial Park – Gate and Fence Replacement, with a second stone retaining wall and pathway from Route 124 - APPROVED

The Commission would like to extend its sincere thanks to the residents and neighbors of the District for cooperating and considering the impact any changes to their houses might have on the overall character of the Historic District.

The Commission has expanded its focus from just the Jaffrey Center Historic District to the town as a whole through Jaffrey's participation in the Certified Local Government (CLG) program, a nationwide effort of the National Park Service that is administered by the NH Division of Historical Resources in Concord. During 2006, the self-guided walking tour pamphlet 'A Walk around Jaffrey Center' highlighting some of the historical & architectural points of interest funded from the 2005/06 CLG grant was completed and printed. The Commission wishes to thank Robert B. Stephenson for his fine work in researching, writing and producing this guide. The preservation planning section of the grant was undertaken by Preservation Consultant, Elizabeth Durfee Hengen. Ms. Hengen met numerous times with the Historical Resources subcommittee of Jaffrey's Master Plan Update as undertaken by the Planning Board. The completed chapter and implementation guidelines will be included in the updated 2006 Master Plan. Another CLG grant (2006/07) has been received to

— *Historic District Commission* —

continue the preservation planning and ordinance review process.

The Commission cosponsored the annual event of a reading of the Declaration of Independence on July 4th at the Meetinghouse which was well attended by Jaffrey residents as well as many people from surrounding towns.

The Commission would like to thank the Selectmen's Meetinghouse Committee for the continuing coordination and ongoing restoration of the Meetinghouse.

All residents are reminded that the Historic District Commission's regular monthly meetings are held on the first Thursday of the month at 7pm. Winter meetings are in the Town Office; summer meetings are in the Meetinghouse.

REPORT OF THE LIBRARY TRUSTEES

This year our long time children's librarian Christine Tarrio resigned to be a grandmother and to work part time at the Stephenson Library in Greenfield, NH. We will miss her and her enthusiasm for Children's Services. We were very happy to welcome back Sheila Vanderhorst as our new children's librarian. Sheila brings lots of experience to the position and has some great programs planned for after school and during school vacations. Please stop in and welcome her. We would also like to congratulate Marilyn Simons who this year completed 30 years of service to the Jaffrey Public Library.

Visits to the library from area schools also increased this year and we are very happy to see a renewed interest in our resources. These visits not only introduce students to our library, they provide an opportunity for the children to register for a card, and are often the first step in bringing whole families in for a visit. The Jaffrey Grade School and the Jaffrey-Rindge Middle School also participated in our book award programs for the Great Stone Face Award and the Ladybug Award.

We had a wonderful time this summer with the Summer Reading Program titled "Treasure Reading". If you saw a skull and crossbones on the building and people with eye patches and daggers entering and leaving it was just our 120 members enjoying a few weeks of reading and pirate events. Approximately 2,109 hour of reading was recorded. Quite an achievement!

Internet usage continues to increase. We have added two more public use computers giving us a total of five on the main floor and two in the children's area. Our wireless access is also still available to anyone with a laptop and a wireless card.

The Friends of the Library continue to help us by fund raising and by sponsoring various speakers, educational events, and the Summer Reading Program. This year they joined with the Historical Society to present a visit by "The Three Mill Girls". This presentation by Marcia Estabrook attracted over 80 attendees. The Friend also hosted Michael Tougias and his fascinating description of "400 miles down the Connecticut River". Both

— *Library Trustees* —

of these programs were funded in part by the NH Humanities Council and due to their great success the Friends have more special program planned for 2007. Our film series and our spring and fall book groups continue to draw crowds.

We continue to receive many gifts and donations from community organizations and individuals. These gifts help us to add to our collection and expand our resources and we thank the community for their generosity.

We will continue to provide Jaffrey with exceptional library service and we thank you for your support.

REPORT OF THE MEETINGHOUSE COMMITTEE

THE MEETINGHOUSE COMMITTEE advises the Town on matters pertaining to the use and maintenance of Jaffrey's historic Meetinghouse.

The Meetinghouse served as a venue for many events between May and October: Amos Fortune Forum (seven free lectures), Monadnock Music (two free concerts), Downtown Concerts (relocations due to rain), Conant High School's 14th annual Shakespeare Festival, the 90th annual First Church Fair, events associated with the Centennial of the Village Improvement Society (Historic Homes & Gardens Tour, Musicale at the Meetinghouse, Line Dance with the Trimbles), and five weddings. Several Town boards and committees met in the Meetinghouse one or more times, including the Board of Selectmen, Conservation Commission, Cemetery Committee, the Planning Board's Master Plan Committee and the Historic District Commission. The Meetinghouse was the scene of numerous other meetings, school group visits, historical society tours, and such throughout the year. The Committee along with the Jaffrey Historical Society, the VIS and the Historic District Commission cosponsored the 6th annual reading of the Declaration of Independence on the 4th of July. The Meetinghouse was again full and the 38 volunteer readers did a marvelous job. All are invited to attend and participate.

The Committee made thorough inspections of the Meetinghouse on May 23rd and October 21st. Between the two dates a variety of projects were undertaken, sometimes by members of the Committee and at other times by volunteers or contractors: Inspection and servicing of the Town clock (largely done by Charles Marvin); annual testing of the fire alarm system; and the usual touch-up interior painting. One of the soiled stage curtains was replaced. The north façade was to have been painted in 2005 but weather caused this to be postponed until June 2006, the work being done by Windmill Hill Painting. But the largest project by far was the painting of the Tower from ground to weathervane, a task not done since 1992. This was undertaken in the Fall by a J&D Painting and Restoration, a steeplejack company specializing in churches. The cost was met by a

— *Meetinghouse Committee* —

Town Meeting warrant article that was voted in 2005, supplemented by a 'Mooseplate' grant from the State of New Hampshire. The job took nearly a month to accomplish and we are hopeful it won't have to be repeated for some years.

For the first time in many years a Christmas tree was installed on the Common and a lighting ceremony with caroling was held on December 3rd. This was a welcomed addition to the setting of the Meetinghouse with its window candles, and it is expected that it will be repeated annually. Another seasonal outdoor event this year was a May Day celebration with Morris Dancing teams and a May Pole set up on the Common.

The major project next season will be the exterior painting of the south façade which has been contracted to Wright Painting.

The calendar for next season is beginning to fill. Other than the usual events, one wedding and one contra dance have already been booked. These and other private gatherings benefit the Town through rental fees.

REPORT OF THE MONADNOCK ADVISORY COMMITTEE

The Monadnock Advisory Commission was created by State Statute and is charged to advise and guide the Department of Resources and Economic Development on the management of State lands on Monadnock, Gap and Little Monadnock Mountains.

A new lease agreement was signed in 2006 by the Society for the Protection of New Hampshire Forests and DRED's Division of Parks relative to lands on Monadnock. While the bulk of the document is similar to the previous agreement, some changes are specific to accomplish goals outlined in the Monadnock Master Plan. The most significant change was that profits collected above costs at the Old Toll Road would be placed in an account held by SPNHF dedicated to expenses at other trailheads. Anticipated expenditures are for trailhead improvements, parking lots, portable toilets and trail projects as agreed to by DRED and SPNHF in consultation with the Monadnock Advisory Commission.

At the May 11th meeting, Jaffrey Selectman Frank Sterling requested consideration by the Division of Parks for assuming responsibility for the dam which impounds Poole Reservoir within Monadnock SP Headquarters. While expanding recreational opportunities by using the reservoir for such might sound attractive, Director of Parks & Recreation Allison McLean explained the difficulties involved. State acquisition of ownership of existing dams is controversial due to costs of routine maintenance and subsequent liability. Additionally NHDES dam maintenance account has gone unfunded by the state legislature.

Groundbreaking took place on November 22nd at Gilson Pond for the new family campground. Once completed it will replace the family campground at Park Headquarters, where only youth group camping will remain.

State law allows the Commission to accept donations. MAC is a primary funding source for search and rescue supplies and equipment. This year we received a generous donation specified for trail blazing and signage.

Monadnock State Park Manager Andrew Zboray reported annual day use attendance at 68,342

— *Monadnock Advisory Committee* —

at headquarters, 10,025 at other trailheads. The fall foliage period '06 was near record levels that continued with fair weather right into December, a welcome complement to the much needed revenue stream. Camping levels remain constant.

REPORT OF THE PLANNING BOARD

A total of 23 applications were submitted to the Planning Board during 2006:

- A. Site Plan Reviews – 10 site plan review applications were submitted. (9 were granted and 1 was not accepted).
- B. Subdivisions – 13 total subdivision applications were submitted; 2 minor (both were granted), 2 major (1 was granted, 1 is pending) and 9 technical (8 were granted and 1 was not accepted). Note the major subdivision approved was an industrial subdivision which was allowed under our Interim Growth Management Ordinance.

The number of applications before the Planning Board was down 15% from the 2005 year. This indicates a downward trend, for example in the years 2003, 2004 and 2005 the number of applications submitted was 34, 35 and 27 respectively. The two probable reasons the number of applications has decreased over previous years are the enactment of our Interim Growth Management Ordinance and the slow downs being experienced in the new construction and real estate segments of our economy.

On November 14th 2006 our Interim Growth Management Ordinance, a.k.a. IGMO, expired exactly one year after being voted on by the citizens of Jaffrey. By law the maximum length of time an IGMO may remain in effect is one year. This ordinance was allowed under RSA 674:23 because the town was in the process of updating its master plan.

Throughout the year the Town continued working with the Southwest Regional Planning Commission, a.k.a. SWRPC, for the purpose of updating our Master Plan. To facilitate this process the Planning Board created a special subcommittee, namely the Master Plan Subcommittee. The Subcommittee was chaired by Ed Merrell who worked tirelessly to keep the process moving forward and on target. Other members were Don MacIsaac, Richard Grodin and Tom Doane whose hard work and dedication is both noted and appreciated. The function of the Subcommittee was to act as a liaison between the Planning Board, the SWRPC and the Citizens Master Plan Committees. A special thank you to all the citizens of Jaffrey

— *Planning Board* —

who became involved and helped make the update process successful. In all, over thirty citizens made significant contributions of time, energy and intellect. It speaks well of Jaffrey that so many people were willing to be involved. Thank you all.

Looking forward to 2007, the Board will be finalizing work on the Master Plan update and will vote on its approval in January. Then the Board will begin revising the Land Use Plan and other regulations to appear on the ballot in March of 2008.

Any resident with an interest in serving on the Planning Board should contact me. Applicants will be considered by the Board, pending final approval and appointment by the Board of Selectmen.

REPORT OF T.E.A.M. JAFFREY

This past year, 2006, was a year of partnerships and collaborations for TEAM Jaffrey. The four TEAM committees and Board of Directors worked in numerous ways, joining with the Jaffrey Chamber of Commerce, many civic organizations and the town government to encourage our citizens to discover new ways to become involved with and visit their downtown. Whether it was building scarecrows, making Christmas swags, sitting in the cab of the

town's new fire truck, having dessert on the lawn of the United Church of Jaffrey or picking up trash on the rails to trails, we offer everyone a chance to become part of the TEAM. It takes many hours of volunteer time and the support of numerous businesses and sponsors to make our Main Street and Downtown district the vibrant and renewed place is.

TEAM Jaffrey is excited about our downtown's future. This coming year will see many changes, which will offer many new and exciting possibilities for the citizens of Jaffrey. There is still work for everyone to join together to continue and finish and the volunteer possibilities are many. Many of the activities that the volunteers of this organization undertake and support have become part of the fabric of this community's life, such as the flowers downtown, the summer concerts, the family events throughout the year, the spring clean up, the holiday greenery, as well as physical improvements to the downtown. Next time you see these things happening, stop and chat with us. Oh and feel free to jump right in and get involved. This year we will be inviting you to come and visit with us, drop in for coffee and find out who we are.

TEAM Jaffrey belongs to the people of the Town of Jaffrey and we would like to thank you for supporting our endeavors.

The Board meets on the first Tuesday of each month when there are requests to be heard. Each applicant must provide the Town with a list of abutters so they can be notified of the hearing by certified mail. Prior to any scheduled hearing, a notice is printed in a local newspaper of general circulation. The public is welcome to attend Zoning Board of Adjustment meetings. Citizen input is encouraged and appreciated.

STAFF REPORTS

REPORT OF THE TOWN MANAGER

In early 2006, the Town was notified that Town Manager Jonathan Sistare was being called up to active duty in the US Army to serve our country in Operation Iraqi Freedom. While Jon is honoring the ideals of the Country, activities on the home front continued at a brisk pace.

On May 16, 2006, I assumed the duties of Acting Town Manager which is an extremely daunting task. The Town continued to face many challenges. Probably the most vexing challenge is the wastewater treatment facility. A special Town Meeting was held in September to authorize the construction of this large project. The project did not get the necessary 2/3 votes. The meeting was attended by officials of the USEPA and NHDES who listened and saw firsthand the potential effect of this project on the Town. The Town and its consultants were charged to look further at the design and bring forth a project at a reduced capital cost, as well as a reduced operations and maintenance cost. The Town was also charged to investigate other alternatives to constructing a new facility. The Town and its consultants worked diligently to address these concerns. The issue will again be before the voters at the March 2007 meeting. In the interim, the USEPA is foregoing further enforcement action for the Town's noncompliance with the Administrative Order.

Work continued this year addressing the drinking water issues facing the town. The redundant well adjacent to the Turnpike production well is under construction. The pumping rate at the Contoocook well is in the process of being increased as the impact of the cyanide plume in the aquifer has been determined. We also saw significant improvements in the River Street area with the replacement of the water main. We continue to explore the Town in search of a new supply. Two locations were investigated for feasibility as a public water supply, both of which have preliminarily been shown as feasible

This past year we saw movement on the Jaffrey Mill Project. The renovation of this complex to 30 low and moderate income apartments will be a positive addition to the downtown area. The Downtown saw the addition of businesses and successful Team Jaffrey projects throughout the year such as the River Fest and Concerts on the Common. These community

— *Town Manager* —

functions are often overlooked or taken for granted but are truly assets to the Town.

Also in the downtown, we saw the construction of the Community Center ball field coordinated by the Recreation Department and made possible through the generous efforts of Robert Van Dyke and numerous volunteers.

It also needs mentioning that though generous private donations and labor coupled with assistance from the Town, the Contoocook Beach area has been transformed to an inviting summer destination. The landscaping and other improvements were badly needed and greatly increase the aesthetics of the area.

At this time I would like to thank the Board of Selectmen, fellow employees and especially the staff at the Town Office for their invaluable assistance provided to me since I assumed this temporary position. Additionally, I would like to express my sincere appreciation to the many residents of Town who have provided kind words of support.

We all anxiously await the safe return of Jonathan Sistare from his duties in Iraq to resume his duties in Jaffrey.

Respectfully Submitted,

Randall W. Heglin,
Acting Town Manager

In 2006 seven Firefighters received the Jaffrey Chamber of Commerce Pride Award allowing them enroll in an EMT Class and became certified as Emergency Medical Technicians. Five Firefighters received their Firefighter II Certification and the Fire Department continued to train on a monthly basis. The Fire Department has 24 active members with one Firefighter serving our country on Military Leave. Of the 24 Firefighters 8 are Firefighter I Certified, 15 are Firefighter II Certified and of the 24 Firefighters 14 are Certified as Emergency Medical Technicians.

The Fire Department is asking the voters to support our request for funds for the 2nd year lease payment on the New Fire Engine 2 that was put into service in August of 2006 and the warrant article for funds to refurbish Fire Engine 1. We are hopeful that the voters will support both warrant articles which will allow the department to continue to provide superior Fire Protection and Emergency Services. We are also asking voters to support the warrant article to place funds in the Capital Reserve Fund to help meet the ever increasing cost of fire apparatus and emergency equipment

in the years to come. We feel that this will be in the best interest of the community and the taxpayers.

The Fire Department would like to thank the town for voting to appropriate the funds to install the Fire Apparatus Exhaust Ventilation System last year. The Vent System was installed in August and has made a difference in the air quality in the Fire Station. We would also like to thank all the citizens, groups, businesses, individuals and fire departments who have helped us out in one way or another in times of need over the past year.

The Fire Chief and Assistant Fire Chief would like to recognize and thank the members of the Jaffrey Fire Department, our families and those of our fellow firefighters for their continued dedication and support. A BIG thank you to The Jaffrey Firefighters Co. Inc. for your continued support with fundraising and donations of Fire and Emergency Equipment.

REPORT OF THE JAFFREY POLICE DEPARTMENT

I think it fair to say that 2006 was a unique year in many ways for the Jaffrey Police Department, not all of which were positive or favorable. One of the issues having a substantial impact on the department, however, was not unique to this year. For the third year in a row personnel shortages created challenges to our staff on a number of levels.

By the beginning of February we were operating 3 patrol positions short. Add to that open shifts created from vacation, training or sick days. This resulted in as many as 10 to 13 open shifts on some weeks to be covered, all from a drastically reduced patrol staff. I think it worth mentioning that sick time taken by this group of officers was roughly half of what it has averaged in prior years.

Both line officers and support staff responded to the needs of the department in a remarkable and admirable way. I would like to make use of this space to publicly express my appreciation for the contribution made by all our staff in covering those many extra shifts and the added burden each took on in doing so. It was through this service that our department continued to provide the coverage and services that the people of Jaffrey have come to expect.

My appreciation also extends to the families of our officers. Their sacrifice was no less costly or meaningful as nights, weekends and holidays were spent without their sons, husbands or fathers.

I would like to acknowledge the support and encouragement our department received from town administrators and from the community as a whole. It became clear to me that we were not in this endeavor alone and that many recognized the difficult circumstances under which we were operating.

Fortunately, two new officers were hired during the course of the year and they are already having a positive and welcome impact. When our third position is finally filled we look forward to once again being able to approach law enforcement activities in a proactive rather than a reactive way.

— *Police Department* —

As often happens when times are busy and demands on concentration and focus are high, certain milestones pass by without receiving proper recognition. Service to our community is worthy of that recognition. In 2004 two members of our police family retired from their position as crossing guards. Dominick Arceci retired at the end of the school year after 6 years of service. Bertha Bourque also retired after serving from September 2, 1979 until October of 2004. 25 years of standing at school street crossings in weather conditions ranging from blistering summer heat to bitter winter winds all in order to see generations of Jaffrey children safely to and from their schools. Bertha and Dominick, we thank you for those years of service and wish you a long, healthy, happy and well deserved retirement.

Finally, it is the goal of the Jaffrey Police Department to provide a safe and secure environment within which residents and visitors alike can live, work, travel and play. Let us know how we're doing. Stop in at the station, send a letter or email me at oswaltw@townofjaffrey.com. I look forward to hearing from you.

Lt. William J. Oswalt
Acting Chief of Police

REPORT OF THE PUBLIC WORKS DEPARTMENT

Cemeteries/Parks and Commons Division: In 2006, the Town continued contracting out landscaping maintenance activities to a private contractor. This was the result of re-bidding this work at the end of 2005. The Town performed 14 full-body and cremation burials. The staff assisted and participated with the Cemetery Committee in the review and updating of the cemetery regulations and publishing A Guide to the Public Cemeteries of Jaffrey. Staff also assisted the Committee with beginning work on the Cutter Cemetery expansion delineating the first section constructing a portion of the road. A cemetery cleanup day was held on November 2nd to remove materials from gravesites that do not comply with the regulations and improve the general appearance of the facilities.

Highway Division: The Highway Department reconstructed or resurfaced over 1.25 miles (6,300 feet) of roadways in 2006. Wet weather delayed commitments by paving contractors and some work was deferred to 2007. Full reconstruction did occur on Eastwood Drive, Proctor Road and Rowley Circle with resurfacing taking place on Union Street. We also assisted the Fire Department in paving of a landing area at the cistern on Old Sharon Road and corrected drainage problems on Gilmore Pond Road and Grove Street. The Town was again spared the second year of flooding that occurred in the region last May. Heath Road does continue to be an area of concern where the 6' culvert under the roadway has been unable to handle the flow and water during flooding events and was very close to overtopping the roadway. We also initiated an annual program to seasonally lower Contoocook Lake (at the Contoocook Lake Dam) by 18" each fall at the request of the homeowner's association to allow dock maintenance. In addition to the above projects, the Highway Crews performed maintenance on over 64 miles of Town roads (including 20 miles of gravel road). The highway crew assisted other Departments throughout the year including the Water, Sewer, Recreation, Fire and Police. Mechanic Dave Kemp was recognized by the Selectmen for 15 years of service to Jaffrey and with assistance from Highway staff, maintained and kept operational the Town's vehicles. In addition to maintaining highway vehicles, over 240 hours of labor was expended maintaining Fire, Police, Water, Sewer, and Recreation Department vehicles and equipment.

Wastewater Division: The wastewater treatment plant processed approximately 211.4 million gallons (average 579,000 gallons per day) of wastewater in 2006. The Town continued working towards compliance with an Administrative Order originally issued by EPA in 2004 and amended in February, 2006 requiring the town to comply with stringent effluent standards by completing a significant upgrade to our treatment system by September 30, 2008. The water quality standards the town must comply with will prevent degradation of the Contoocook River. To comply with the Order, the town designed an advanced treatment facility and advertised the project for competitive bids in July, 2006. Only one (1) bid was received and the project failed to receive the necessary two-thirds vote at a Special Town Meeting held on September 9, 2006. Following the Special Town Meeting, the town asked EPA for an extension to the compliance schedule but EPA denied the request but allowed the town to proceed another vote at the March, 2007 Town Meeting. In the meantime, the town and its consultant have reviewed the construction documents and projected operating costs to identify areas where costs could be reduced. The project has been advertised again and bids are due on February 15, 2007. It is anticipated that more than one competitive bid will be received in a better bidding climate this time. In addition the town and consultant also evaluated alternative systems (including de-centralized and land disposal) that were discussed at the Special Town Meeting and began a socio-economic study looking at the financial impacts of the project on the community. Aquarion Operating Services of Auburn, NH completed their second year of contract operation of the sewer facilities under a three year contract that was as a result of a comprehensive Request for Proposals issued in 2004. As part of their normal operations, Aquarion completed cleaning of approximately 5 miles of sewer mains and inspected 26 manholes. This was the second year of a three (3) year program addressing fully one-third of the sewer collection system each year. During 2006, there were 15 callouts for sewer related problems. The Department in conjunction with Insituform Technologies, video inspected and cleaned about 5,200 linear feet of sewer main on Fitzgerald Drive and Main Street (Jaffrey Center), identified deficiencies and authorized rehabilitation in 2007 utilizing a “trench less” cure-in-place liner system. This system provides a rehabilitated pipe more cost effectively than using the conventional dig and replace method. There remains a significant Inflow and Infiltration (I/I) problem in the collection system and we continue to address extraneous I/I as it will become

expensive to treat especially once the new facility is on-line. In January, 2006, a new trailer mounted bypass pump was delivered which will allow the Town a means to bypass any of the five pump stations and the Hadley Road head works in the event of a pump failure.

Water Division: The Department produced approximately 114 million gallons (average 312,329 gallons per day) from two groundwater wells and provided potable drinking water to approximately 1,530 accounts in Jaffrey and Rindge. Hydrant repair and replacement continued with the replacement of three hydrants. Hydrants were flushed twice during the year (spring and fall) and thanks to an Eagle Scout project all of the town's hydrants were painted (red). The River Street water main replacement project was awarded to Park Construction. The project was completed and included replacement of old 6 inch water main with 1,600' of 12" ductile iron water main on River Street to Gilmore Pond Road, 2,370' of new 8" ductile iron water main from Gilmore Pond Road to the end of the project beyond Lacy Road and also included installation of 300' of new 8" ductile iron water main on Adams Street. The project did include 500' of 8" HDPE pipe that was installed by means of directional drilling in the wet area adjacent to River Street south of Adams Street. Five (5) hydrants were replaced and four(4) new hydrants installed. One hundred ninety-six (196) residential and commercial water meters were installed or replaced and an additional 76 radio read units installed. In 2005, an engineering consultant, Tighe & Bond, was chosen and design work and permitting began on the optimization of the existing supplies including the redundant wells and further investigation of the cyanide impacting the Contoocook Well to determine if the pumping rate can be increased. We received DES approval to increase the Contoocook Well pumping rate. The redundant Turnpike well was installed and is expected to be operational in early 2007. The NHDES continues to investigate the perchlorate contamination impacting the Mud Pond groundwater site being developed by the Barking Dog Water Company. The Water Department took delivery of a new utility pickup truck.

Engineering Division: The Town Engineer provided assistance to all DPW departments as well as other town departments. In May, 2006 the Engineer assumed the position of Acting Director as well following the naming of Director (Randall Heglin) as Acting Town Manager. Support was

provided to the Planning Board by reviewing several subdivision plans and inspecting development projects such as Fitch Road and Clover Farm. The Engineer is also coordinating the activities related to the implementation of the water projects and resolution of the wastewater issues. The Engineer also coordinated engineering design and bid documents for the Mountain Stream dam sluice gate replacement project. Assistance was provided the Recreation Department with permitting, layout and bid documents for the new baseball field on Union Street.

Solid Waste/Transfer/Recycling Division: Material received and processed at the Transfer Station in 2006 included the following approximate amounts: 998 tons compactor waste, 660 tons bulky waste including construction and demolition debris, 214 tons recycled material (plastics, paper, corrugated), and 207 tons light iron, 6 tons of aluminum, 352 televisions, computer monitors and microwaves, 2 trailer loads of tires (about 5,550 tires), 1,580 gallons of waste oil, 49 propane tanks, 2 tons of batteries, and 238 Freon containing items.

The Department continues to address operational and environmental recommendations presented by the Board of Selectmen's citizen advisory committee in 2004. Plans to cover and improve the bulky waste drop off area and replace and insulate the transfer station roof are incorporated in the Town's Capital Improvement Plan. In 2006, the road serving the transfer station was paved. Also in 2006, the Board of Selectmen recognized Janet "Peachie" Chalke for twenty years of service to the Town of Jaffrey.

The issue of dump stickers remains a sensitive issue for many folks. The staff is checking for valid stickers and while most residents are cooperative and respectful, we occasionally have unpleasant experiences.

We continue to process commodities through the Northeast Resource Recovery Association, which competitively bids commodities and insures the best prices for their members. Following is a summary of the materials processed at the Transfer Station.

REPORT OF THE PARKS AND RECREATION DEPARTMENT FOR 2006

The Parks and Recreation Department recently concluded a very productive and exciting 2006. At Contoocook Beach, a major renovation began thanks to local resident Tonya Albee. Tonya secured funding, volunteers, and materials to give Contoocook Beach a much needed facelift. Thanks to the Department of Public Works, we added much needed sand to the beach also. Check it out this summer! We also made improvements at Thorndike Pond, with a renovation of the picnic shelter and new swim area markers. The Shattuck Park Trust Fund was utilized for this project. Rails to Trails was further enhanced this past summer with routine maintenance and the installation of five new benches. At Humiston Field, roofing was replaced on the garage housing equipment. The big news occurred at the new Community Center site, as we finally were able to start construction on the new ball field! Thanks to a dedicated effort by another local resident, Bob Van Dyke and Van Dyke Construction, we were able to clear the area and make it ready for sod and infield mix. Van Dyke Construction donated over \$ 20,000 in materials and labor to make this happen. After a dedicated group of 46 volunteers spent a Saturday in October cleaning, digging, cutting, and hauling it was time to put the sod down. October 27 was the big day, as 14 volunteers worked all day to lay 30,000 square feet of sod! In all, volunteers from elementary school age to senior citizens donated over 290 hours in 2006 to work on our "Field of Dreams". There is still much to do, but we will be playing on the field in the Spring of 2007!

This was also a busy year for our Monadnock Seniors as Janet Sullivan, our senior's trip coordinator, offered 12 trips to everywhere from Hawaii (eleven participants went on an 11 day trek to San Francisco and Hawaii) to Boston! Other new trips in 2006 were to Disney's Beauty and the Beast Show, Canterbury Shaker Village for an Antique Car Show, a Disney Live Magic Stage Show in December, Vertical Dreams (indoor rock climbing), and the New England Aquarium.

This past year we offered a new special event, with the inaugural Jaffrey Mini Triathlon on Sunday July 16. The event featured a swim in Contoocook Lake, biking from Woodbound Inn to the boat launch in Rindge,

— *Recreation Department* —

and finishing with a bike ride along Rails to Trails to the new Community Center site. What a great event! We had approximately 20 participants and hope to expand in 2007 with a limit of 50 participants. Start training now! We accept individuals, or you can put together a team of three and each complete one leg of the triathlon. We also offered extended care for children involved in the Summer Program, making it easier for working parents.

This past Fall saw the return of the popular Halloween Haunted Hay Ride, as the weather cooperated. Thanks to our dedicated volunteers from JRMS, Conant, Franklin Pierce, and Jaffrey Residents we had a great event. Next year marks the 10th Anniversary of the Haunted Hay Ride and we will be bringing back the top scenes from the past so if you have any favorites let us know!

We look forward to 2007 and working with YOU, the people that make our facilities and programs so successful. There's so much to do as we complete the new ball field, improve and maintain facilities, research new activities and programs, and continue to provide support to town and other local agencies. Thanks again to all our supporters and volunteers for everything you do for our community. Thanks also to our hard working staff; James Golisano, Alan Morris, Caren Lewis, Karen Morris, & Janet Sullivan. Have a wonderful 2007, be a participator not a spectator!!

REPORT OF THE REGIONAL PROSECUTOR

Our partnership with the Town of Peterborough with regard to the Regional Prosecutor's Office continues to be successful and 2006 proved to be another active year. Actual statistics have shown a slight increase in activity over 2005, with each department contributing commensurate with their respective appropriations.

Our legal assistant, Amy St. Cyr continues to ensure that the office operates smoothly and Atty. Jessica Schlamp was extremely beneficial while covering for me while I was on several weeks of personal leave.

In addition to our prosecutorial function, our office participated in the Conant High School Student Mentoring Program and the Con-Val High School Student Intern Program which was a rewarding experience for us and hopefully for the students as well.

Our office also receives a limited amount of income through the collection of discovery fees. In 2006 our income was equally generated by cases from each department.

The statistical breakdown is as follows and includes cases open, pending, or closed out in 2006:

JAFFREY	2005	2006
	728	735

[Of the 735 cases, 196 were minor traffic cases, 474 were criminal and 65 were juvenile.]

Income = \$ 825.00

PETERBOROUGH	2005	2006
	529	565

[Of the 565 cases, 160 were minor traffic cases, 372 were criminal and 33 were juvenile.]

Income = \$ 825.00
Total income = \$ 1650.00

Incorporated: 1773

Origin: In 1749 this territory was chartered as Monadnock Number 2, sometimes called Middle Monadnock or Middletown. It was one of the first towns established under the New Hampshire proprietors' purchase of undivided lands under the Masonian claim. The grant was renewed in 1767, and the town incorporated in 1773 as Jaffrey, in honor of George Jaffrey, member of a prominent Portsmouth family. Both his father and son were named George, and all three served as treasurer of the province. George Senior held the position when the state was still under Massachusetts rule. George III also served as proprietors' clerk, and was a life trustee of Dartmouth College, providing the design for the official college seal.

Villages and Place Names: Hadley, Jaffrey Center, Quantum

Population, Year of the First Census Taken: 1,235 residents in 1790

Population Trends: Population change for Jaffrey totaled 2,576 over 50 years, from 2,911 in 1950 to 5,487 in 2000. The largest decennial percent change was a 30 percent increase between 1970 and 1980, followed by a 24 percent increase over the next decade. The 2005 Census estimate for Jaffrey was 5,711 residents, which ranked 58th among New Hampshire's incorporated cities and towns.

Population Density, 2005: 148.7 persons per square mile of land area. Jaffrey contains 38.4 square miles of land area and 1.8 square miles of inland water area.
